

Hi All!!

We cannot believe that we are already in our 3rd month of our Hunting Season for 2007!!!

A few quick interesting "Hunting Facts" from "Leopard Spots"....

In total we have harvested 38 trophies since the beginning of the Season which started on the 21st of March!!!

Hunting Safari Outfitter • South Africa
A most extraordinary African experience starts right here

2007 Unbelievable!!!

Each client has harvested at least 8 trophies and more, on their very first Hunting Trip to South Africa!! The total Kudu's harvested up to now?...4!! Each of them above 54 inches!!! Gemsbuck, Red Hartebeest, Waterbuck, Blue Wildebeest, Zebra, Blesbuck... and the list goes on... can be added to each Hunter's Trophy Wall!!!!

For the first part of April, we had a father and his son joining us all the way from Vacaville California. **Paul and James Wireman**, also on their very first Hunting Trip to South Africa! They harvested 8 trophies in total. Paul harvested a magnificent Kudu Bull of 54 inches, and James a spectacular Red Hartebeest Trophy Bull!

What a fun time we had with them, and we cannot wait to have them back with us soon.

For the second part of April, **Bill Porter** joined us for a 15 day trip to Africa!! He first hunted for 10 days, in which he shot 8 animals. Then he joined us for 5 days sight-seeing in Botswana.

Bill had an unbelievable Hunt and really harvested some beautiful trophies, including a 30 inch Waterbuck Bull and a 55 inch Kudu Bull.

BOTSWANA
Not only did we have very successful Hunts in April, our Botswana sight-seeing trips were once again "Out of Africa"!! Wow, sight-seeing in Botswana never disappoints!
The amount of Elephant, Buffalo, Hippo and the variety of animals this beautiful country has to offer....Unlimited!

Awesome landscapes, boat cruises on the Chobe River, Victoria Falls....Spectacular! Our very good friends from the States...Ken, Nancy and Kaylene DuVall, joined us for their first Botswana Trip. It was a "Trip of a Lifetime" for them, and a pleasure sharing their experience.

Well, we gotta go Hunting again....our next clients arrived on the 1st of May....and "Leopard Spots" will bring you all the Exciting Hunting News SOON!!!

Hunter's Greetings
Karen & Neil
