George Owren

George Owren had booked a very big Safari!! He was fortunate enough to stay 14days with us and if wasn't for the weather, had planned on harvesting at least 14 species of animals. He ended up with a whopping 11 trophy animals of different species, all high scoring trophies. Anton Pretorius was his Professional hunter and together as a team they have so far the biggest "bag" collected by one hunter for the 2010 season!!!!

If by 15 July he is still the leader, African Expressions Taxidermy will reward him for handing in his Taxidermy work with African Expressions by giving him a unbelievable 50% discount!! Whoever beats the 11 species hunted and handed in with African Expressions Taxidermy, will then be the leader and then receive the 50% discount (terms and conditions apply)

!!!! GOOD LUCK !!!!!

Hunter's Greetings

Karen & Neil
