

Hi All!!

We have so much exciting hunting news to share with you...!!

Let's get started!!

Hunting Safari Outfitter • South Africa
A most extraordinary African experience starts right here

2007 We officially kicked off our bowhunting season on the 1st of July.

Bill, Sean and Linda Casto from Malibu in California, joined us for their first ever trip to South Africa. We kicked off their trip with a 5 days sight-seeing to Botswana and from the 1st of July the Hunting started. Bill hunted with his bow as well as his rifle. One of his most impressive animals he harvested with his bow was a Monster of an Eland Bull! WOW!! Bill was overwhelmed by the size of his trophy... taken with a single shot! But wait.... there are lots more!! Sean, who rifle hunted... shot a Spectacular 60 inch Kudu Bull, truly a memorable experience!! 22 trophies in only 10 days!! A hunting Adventure of note!!

On the 7th of July, 4 bowhunters from Palm Springs were ready to take on the very tough African Game. After 2 years of planning their trip with them, **Cory, Fergy, Jesse and Jessica** were sighted in and ready for this Unforgettable Hunting Experience. They weren't disappointed..Africa certainly delivered!!Sitting in the "blind" waiting for that unique trophy to walk in and experiencing all the sights and sounds of Africa is an experience on it's own. Jessica, hunted with her rifle as well as her bow. We shared lot's of excitement with her after getting a beautiful Impala Ram with her bow. Jesse added to his impressive list of trophies a 16 inch Warthog!!WOW!!Fergy and Cory had a slow start but quickly caught up with the other 2 hunters. Cory as well as Fergy each harvested Kudu, Impala and Warthog.

For the last part of July, **Randy Raymond** from Raymond's Trophy & Awards in Bakersfield, as well with his hunting buddy **Alex Rogers**, also from Bakersfield, joined us for the last part of July. Both of them are rifle hunters, and both of them were extremely successful with their hunts. Randy got 7 animals and Alex 11 trophies during their 9 days with us.

Experiences that we won't forget easily - the Warthog that Randy shot while he was running for cover! My personal best - I was lucky enough to share this moment with Randy, the day he got his beautiful Zebra (It's memories like this that we will share for years and years to come!)

On that exciting note, we had shared a bowhunting Adventure with our last bowhunting client for the season.

Rich Snapper from San Diego had a mission and he made sure he will accomplish it by hunting with NB Safaris. Neil met Rich 3 years ago in San Diego, and if Rich had his way, he would have returned with Neil to Hunt Africa! After 3 years, the time finally came, and Rich was ready than ever to take on South Africa...the Archer's Heaven. Long Long days went by, sitting for the whole day in the "blind"waiting.. exercising patience.. some days were quiet, some days not... but definitely not one boring moment. Rich harvested his 6 trophy animals each cleanly with a single shot! Well done!!

Thanks for all the memories, experiences and all the laughs with great friends!!
Hope to see you all soon!!

Hunter's Greetings
Karen & Neil
