USA Tour

Hi All!!

# NBSAFARIS

Hunting Safari Outfitter • South Africa

A most extraordinary African experience starts right here

# 2009

Finally we are back from a phenomenal and very successful marketing trip to the USA!!!

Wow, what a great experience did we have with our former and future hunters and site-seers, or should I say friends...

Now I would like to apologize to those who we due to a shortage of time could not visit with.

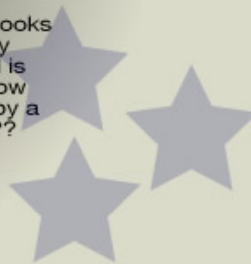

NBSafaris is here for the long-run and we will have more opportunities like these in the future!!!

Let's share some opportunities that we were fortunate enough to capture on film with you:

Starting with the most incredible speech delivered to us at the SCI Convention at Reno by Tom Selleck, in the foreground you can see the "NBSafaris table with future clients for 2009 !!!

It almost looks like Randy Raymond is being elbow dropped by a waiter????

The ever so charming Mr. Bill Bigelow need not be forgotten... his moves on the Dancefloor would put "The American Idols" to shame.

Brad and Suzi Conklin as well as Rich and Robyn Hamic have a very special spot in the heart of NBSafaris !!!

Brad & Suzi

Rich & Robyn

Then there is the great white hunter "who we all know..." with his trophy Squirrel!!!

If there is any one we have not included, please feel free to either be relieved or content that you are not in any way forgotten by the team here at NBSafaris!
