

Hi All!!

NB SAFARIS

Hunting Safari Outfitter • South Africa

A most extraordinary African experience starts right here

2009

Wow, we had an extremely exciting first month and start to our Hunting season!!!

A TOTAL OF OVER 50 TROPHIES WERE HUNTED....FROM GIRAFFE THROUGH TO STEENBUCK.....

Our first 2 hunter's, Paul Bachan and John Valle all the way from Watsonville California, joined us from the 1st till the 8th of March.

Following them where John Hertzig, Rich Hutchinson and Dale Briski, 3 friends and co-workers from California

This Giraffe Bull needed to be harvested and Dale and Ricky was up for the challenge!

What a HUGE GIRAFFE BULL!!!

Up next where Hank Ireland and his son Mike who really took prize trophy animals with this monster Waterbuck and unforgattable Nyala at the top of the list.

I quote Mike - "I'm still on a high from this trip. It was everything you said it would be and more. Again, I can't thank you enough. That was truly a life changing trip. The bond between my father and I is stronger than it has ever been. I meant a lot to me that you, Karen, and especially Johan really seemed concerned that we were having the best time we could possibly have. When I saw Johan's hands shaking after our stalk on the blesbok, I truly realized that he is the consummate professional hunter. Not only does he know more about wildlife than anyone I have ever met, he truly is passionate about hunting"

Two brothers, Carl Swanson from Washington State and Eric from Alaska started of their Adventure with a 7 day sight-seeing tour to Kruger...followed by a 7 day Hunt with NB Safaris. Here is Eric (Swanie) with his terrific Blue Wildebeest and Blesbuck he harvested.

We all look forward to a year of Grand Hunting!!!

Hunter's Greetings
