Hunting Safari Outfitter • South Africa

A most extraordinary African experience starts right here.

*...July 2009... after almost 2 years of planning*

**George, Luiz, Heidi, Steve & Phay**  
arrived in South Africa for their African Adventure with NB Safaris

We kicked off their Adventure with a 7 day Hunt.  
Animals harvested: Nyala, Kudu, Gemsbuck, Blue Wildebeest, Zebra, Red Hartebeest, Impala, Blesbuck....

"Wow, from hunting and fishing to wine tasting and sight-seeing in four countries, what a diverse experience. We embarked on this voyage to Africa as novices and return to the USA as experienced hunters and travelers. We thank Neil and Karen for taking care of all the details making our tour seamless, and the staff as well for the excellent guiding and cooking. We loved it all and have wonderful memories of this ultimate adventure." -  
*Luiz & Heidi*

Their hunt was followed by a 5 days sight-seeing trip to

*Botswana*...bountiful game...beautiful scenery and all the piece and quiet of the bush at it's tranquil best!

"Superlatives fail me in describing how great this trip was, The staff, food, facilities, trips and trophies were all world class. Talking to other returning hunters in the Jo'burg airport I discovered many were not as fortunate as we were in their choice of outfitters/guides....Once again, I state that this was the most fantastic trip of my life. We will be back!!-
